Clinical Research, Public Policy, Research, Education & Prevention

We were happy to sponsor the

2006 "First of its kind" Conference

TOWN HALL MEETING

EATING DISORDERS:

Clinical Research, Public Policy, Research, Education & Prevention

It was such a huge success, we are planning next year's agenda so [check on the website for updates and news.](#)

May 5, 2006: *Town Hall Meeting Review and Reflection*

Thank you for your Support!

We wanted to take this opportunity to thank everyone who supports us!

Because of your generous donations and support for our foundation, EDF, Inc., we are able to continue to provide events such as the Town hall Meeting we just had on May 5, 2006, smaller workshops and seminars, and educational programs that help prevent and treat eating and related disorders.

We were privileged and honored to have such wonderful people greatly contribute to the success of this event:

U.S. Congresswoman Nita M. Lowey, U.S. Senator Hillary Rodham Clinton, Margo Maine, Sam Menaged, Kitty Westin, and Gail Abraham.

Nita M. Lowey passionately speaking about mental health and eating disorders:

3 of our dedicated speakers: *Kitty Westin, Sam Menaged, & Margo Maine.*

In addition, this event could not have happened without the coordination and care of the Performing Arts Center Staff, Thank you for your patience and consideration!

If you have ideas or suggestions regarding next year's conference, [email us!](#)

We are very pleased to provide an Audio Webcast of this 2006 "First of its Kind" Conference!

If you were unable to attend the conference and would like to hear the touching stories, educational facts, clinical specifics, or get a memorable account of Eating Disorders in our society, click on this link below to our site: ↓

[Audio Webcast & More](#)

All are welcome to review after registration but we ask that you kindly donate to the foundation to help us in our efforts. We greatly appreciate your support!
